Gas Adjustment Tariff Filing )

**ORDER ESTABLISHING ENDING ACA BALANCE**

Issue Date: December 11, 2024

Effective Date: January 10, 2025

The Commission opened this case to receive the 2021-2022 Purchased Gas Adjustment (PGA) and Actual Cost Adjustment (ACA) filings of Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty. The Staff of the Commission (Staff) filed a recommendation regarding that ACA filing on December 12, 2023. Staff's recommendation and memorandum indicated Staff had completed a review of billed revenues and actual gas costs for the period September 1, 2021, through August 31, 2022, that were included in Liberty's computation of its ACA balances.

Staff's recommendation and memorandum sets out the ending balance contained in Liberty's ACA filing, and recommended some monetary adjustments to that ending balance. Staff also offered some non-monetary recommendations regarding Liberty's policies and practices. Liberty responded to Staff's recommendations on January 11, 2024, accepting Staff's analysis and recommendations with the exception of Staff's proposed adjustment related to carrying costs for the Winter Storm Uri balance.

On November 26, 2024, Liberty further replied to Staff's recommendation and memorandum. The November 26 filing stated that Liberty worked with Staff to reach

agreement on the carrying cost issue, and agreed to the calculation of carrying costs for the Winter Storm Uri balance using the prime rate less 2%. No other party responded to Staff's recommendation.

On December 5, 2024, Staff responded to Liberty's November 26 filing, accepting Liberty's calculations. No other responses to Staff's recommendation and memorandum or Liberty's November 26 filing were received.

After reviewing Staff's recommendations and Liberty's and Staff's responses, the Commission concludes that Staff's and Liberty's recommended ending ACA balances are in agreement, and should be accepted as a resolution of Liberty's 2021-2022 ACA audit.
