File No. CD-2025-0185

ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND DIRECTING STAFF RECOMMENDATION

Issue Date: December 13, 2024

Effective Date: December 13, 2024

On November 14, 2024, Fidelity Cablevision, LLC d/b/a Sparklight (the Company)¹ filed a request seeking relinquishment of portions of its Eligible Telecommunications Carrier (ETC) designation related to the Rural Digital Opportunity Fund. The Company also requested a waiver of the 60-day notice requirement of Commission Rule 20 CSR 4240-4.017.

The Commission will direct its Data Center to issue notice of the request, set a deadline for intervention, and direct the Staff of the Commission (Staff) to file a recommendation.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice of this request to all eligible telecommunications carriers certificated to provide service in Missouri.
2. Requests to intervene shall be filed with the Commission no later than December 23, 2024.

¹ In the pleading making the request to relinquish portions of its ETC designation, the Company refers to itself as "Fidelity Cablevision, LLC d/b/a Fidelity Communications." However, in Commission File No. XN-2025-0098, the Company requested that the Commission recognize that it had changed its fictitious name to "Sparklight." The Commission did so in an order issued and effective on October 1, 2024. Therefore, the Commission will refer to the Company's current fictitious name of "Sparklight."

3. Staff shall file a recommendation on Fidelity's request, or a request for an extension of time, no later than January 13, 2025.

4. This order is effective when issued.
