GHTS' basic local exchange tariff, tariff number 9900451, was approved by an order of the Commission issued on January 6, 1999.

GHTS filed an intrastate access tariff on December 22, with an effective date of January 21. The tariff sheets cover the provision of access services to intrastate interexchange customers. The tariff contains a list of the waivers approved by the Commission and has sections on access tariff concurrence, carrier common line access service, switched access service and special access service. GHTS filed substitute tariff sheets on January 6.
