I also don't discuss matters with corrupt attorneys that breach settlement agreements and payment agreements.

When the Commissioners, Regulatory Judge, Staff attorneys and none the less Ameren Missouri decide to come forward and admit [www2.ameren.com](http://www2.ameren.com) is not an email address and it's a counterfeit forged document.

Plus altering the Commission Rules, Regulations, Tariffs 20 CSR 4240-13.060 Settlement agreement and payment agreement.

Schedule a hearing when the Attorneys want to come forward and admit that they defrauded me. Those attorneys know who they are.

The defrauding files of Settlement agreement and payment agreement, coming to your local prosecuting attorneys office in 11 days.

You reap what you sow.
