*If reason for change is poor service, outages, low voltage, etc., applicant should submit a record of service problems covering at least 90 days, including dates and times of problems to the extent possible. Applicant should also attempt to determine reasons for any service problems. For instance, if electric service was out or you are experiencing blinking lights, you should contact the supplier of electric service to determine the problem, and include this information with the application. (If the reasons from the supplier was a storm, car hitting pole, trees in line, conductor fell down, or whatever the supplier states for the problem, this should be noted.)
