January 8, 2025

VIA EFIS

Secretary Dippell
Missouri Public Service Commission
Governor Office Building
200 Madison Street
Jefferson City, MO 65101

Dear Secretary Dippell,

Accompanying this letter for filing via the Missouri Public Service Commission's Electronic Filing and Information System ("EFIS") are revised tariff sheets P.S.C. MO. No. 9 First Revised Sheet Nos. R-30.23 and R-30.25 for the Spire PAYS® On-Bill Financing Program for Spire Missouri Inc. ("Spire"). The revised tariff sheets update the "Availability" section as well as incorporate terms that mirror those included in the PAYS® tariffs of the utilities with which Spire co-delivers this program. Specifically, those terms are extending repayment plans to a maximum of fifteen years and allowing participants to make prepayments. The revised tariff sheets carry an issue date of January 8, 2025 and an effective date of February 7, 2025.

The changes incorporated into the revised tariff sheets do not impact Spire's rates, Spire does not request that the tariff go into effect fewer than thirty days, Spire does not anticipate that there will be any objection to this tariff change, and Spire does not request that the Commission specifically approve this tariff, rather the Commission should allow the tariff to go into effect in thirty days. For these reasons, no case file is required to be established.

The revised tariff sheets have been agreed upon between Staff of the Missouri Public Service Commission, the Office of the Public Counsel, and Consumers Council of Missouri. The parties also agree with the statements made in this transmittal letter. Spire has the permission of the parties to express their agreement on the revised tariffs and this letter.

Thank you for bringing this matter to the attention of the appropriate Commission personnel.

Sincerely,

/s/ J. Antonio Arias
