4

5

Q. What is your position with Ameren Missouri?

6

7 A. I am employed by Ameren Missouri as the Manager of Rates & Analysis.

7

**Q. Please describe your educational background and employment
9 experience.**

8

9

10 A. I received a Bachelor of Science in Business Finance from the University
11 of Kansas in 2007. I began my career with Union Electric Company at the end of 2007 as
12 a Real-Time Trader, and was subsequently promoted to Term Trader in May 2008. In early
13 2014, I was appointed General Executive of Renewable Energy within Ameren Services
14 Company. I assumed my current position as Manager of Rates & Analysis in April 2017,
15 where I lead a team responsible for the Company's class cost of service studies, rate design,
16 tariff administration, and various other regulatory projects. Prior to joining Ameren, I held
17 several roles within the trading and asset management department at Westar Energy.
18 Throughout my career at Ameren Missouri, I have had the privilege of testifying before

1 this Commission on multiple occasions. My testimony has covered a wide range of topics
2 related to rate design, class cost of service studies, and other regulatory matters.

3 **II. PURPOSE AND SUMMARY OF TESTIMONY**

4 **Q. What is the purpose of your supplemental direct testimony in this**
5 **proceeding?**

6 A. The purpose of my supplemental direct testimony is to provide a corrected
7 version of Table 8, which appears on page 25 of my Direct testimony. I want to emphasize
8 that while the table presentation contained errors, all underlying workpapers and numerical
9 values used throughout this proceeding remain accurate and unchanged. This correction to
10 Table 8 has no impact on any of the calculations, conclusions, or recommendations
11 presented in my Direct testimony.
