Search instead for os it illegal for a business to feceive someone using a fake emaio address to obtain money

## AI Overview

Yes, it is illegal for a business to deceive someone by using a fake email address to obtain money, as this constitutes fraud and is considered a violation of federal laws like 18 U.S. Code § 1341, which covers mail fraud and schemes to defraud; using a fictitious name or address with the intent to deceive is explicitly illegal under 18 U.S. Code § 1342. [↗](#)

### Key points to remember:

#### Intentional deception:

The key element is that the business must be intentionally using a fake email address to mislead someone into giving them money. [↗](#)

#### Federal Trade Commission (FTC):

The FTC also regulates deceptive business practices and can take action against companies using fraudulent email tactics. [↗](#)

#### Legal consequences:

Depending on the severity of the fraud, a business could face civil lawsuits, fines, and even criminal charges for using a fake email address to obtain money. [↗](#)
