**Re:                   Evergy Missouri Metro Rehousing Low-Income Pilot Program Tariff Filing**

Dear Ms. Dippell:

Evergy Missouri Metro is filing revisions to the Rehousing Low-Income Pilot Program Tariff which aims to assist residential electric customers in securing stable housing by offering a one-time grant towards their Evergy bill. The Company proposes expanding eligibility of the program to include seniors at risk of losing their housing as a result of a delinquent Evergy bill. The program was originally targeted towards customers initiating new service.

Commission Staff and the Office of Public Counsel are in support of the proposed change.
