STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a session of the Public Service Commission held at its office in Jefferson City on the 19th day of August, 2015.

In the Matter of a Repository File Concerning Staff's Review of the Commission's Fuel Adjustment Clause Rules	)))	**File No. EW-2011-0139**

ORDER EXTENDING TIMELINE FOR REVIEW

Issue Date: August 19, 2015   Effective Date: August 19, 2015

The Commission opened this working case in 2010 to facilitate Staff's review of the Commission's rules regarding fuel adjustment clauses for electric utilities. On February 4, 2015, in response to a request made by various stakeholders, the Commission directed Staff to complete its review and file its recommendations regarding changes to the fuel adjustment clause rules by September 15.

Staff has continued its review and has discussed possible rule changes with the stakeholders at a series of workshops. But on August 17, Staff filed a motion asking that the date for completion of Staff's review be extended until November 20. Staff explains that the stakeholders who have participated in Staff's review process agree substantive progress has been made, but agree with Staff that more time is needed. They join with Staff in requesting that the date for Staff to file its recommendation be extended to allow time for collaboration on revisions to Staff's recommendation and to provide an opportunity to schedule additional workshop discussions.

The Commission finds that the request for additional time is reasonable and will grant that request.

THE COMMISSION ORDERS THAT:

1. The Joint Motion for Extension of Staff Recommendation is granted.

2. The Commission's Staff shall complete its review and provide the Commission with its recommendation regarding changes to the fuel adjustment clause rules by November 20, 2015.

3. This order shall be effective when issued.
