

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of a Working Docket to Address the )  
Hedging Practices of Electric Utilities used to Mitigate ) **File No. EW-2013-0101**  
the Rising Costs of Fuel )

## NOTICE AND ORDER REGARDING PARTICIPATION IN WORKSHOP BY PHONE

Issue Date: November 1, 2012

Effective Date: November 1, 2012

In File Number EO-2011-0390, the Commission determined that it was appropriate to open this investigatory docket to review policies or procedures with regard to electric companies' hedging programs that will hopefully assist the utilities with developing effective hedging programs that serve the public interest by mitigating the rising costs of fuel.

On October 5, 2012, the Commission's Staff filed notice of the first scheduled workshop to convene on November 14, 2012, starting at 1:00 p.m. in Room 310 of the Commission's offices in Jefferson City. The Commission will establish a State phone bridge for any participant wishing to attend the workshop by phone. However, the only phone bridge available requires the participants to provide their phone numbers so the State operator can call them directly to establish the conference call. Consequently, any participant wishing to attend the workshop by phone will have to provide the Commission with their phone number.

## THE COMMISSION ORDERS THAT:

1. No later than November 8, 2012, any participant wishing to attend the November 14, 2012 workshop by phone shall file a phone number, and list of persons who plan on using that number for attendance, with the Commission.

2. This order shall become effective immediately upon issuance.

**BY THE COMMISSION**

Steven C. Reed  
Secretary

( S E A L )

Harold Stearley, Deputy Chief Regulatory  
Law Judge, by delegation of authority  
pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,  
on this 1st day of November, 2012.
