

Patricia Sue Stinnett,
Complainant,
v.
Kansas City Power & Light Company,
Respondent.

¹ Evergy Missouri Metro as of October 7, 2019. Evergy Missouri West (sic) filed its Answer and Motion to Dismiss on October 30, 2019. It stated that although Ms. Stinnett had filed her complaint against KCP&L, her service had actually been provided by KCP&L Greater Missouri Operations Company (GMO), now Evergy Missouri West. Because of the several name changes, Evergy Missouri West stated that it would go ahead and “answer as Evergy Missouri West in this Answer and mov[e] forward in this docket.”

parties filed a List of Issues. They identified one issue: “Did the Company take any actions that constitute a violation of any law, regulation, Commission Order, or Evergy Missouri West tariff?”

The Commission gives notice that at the hearing it will require Commission Staff to specifically identify every statute, Commission regulation, and Company tariff which the Commission should consider in resolving the issue identified by the parties.
