ORDER DENYING APPLICATIONS FOR REHEARING

Issue Date: January 29, 2025

Effective Date: January 29, 2025

On December 19, 2024, the Commission issued its *Order Dismissing Complaints* in this matter. On January 9, 2025, Complainants Timothy Allegri and Denise Allegri jointly filed a timely application for rehearing. On January 10, 2025, the Office of the Public Counsel filed a timely application for rehearing and reconsideration.

Section 386.500.1, RSMo (2016), states that the Commission shall grant an application for rehearing if “in its judgment sufficient reason therefor be made to appear.” In the judgment of the Commission, the applications for rehearing do not demonstrate sufficient reason to rehear this matter.

Evergy Missouri West, Inc. d/b/a Evergy Missouri West (Evergy) has not relocated the electric transmission line in question nor presented a plan to do so. There is simply

no issue requiring a Commission decision. As stated in the Commission's December 19th order, the complaints in this matter have been dismissed without prejudice. If Evergy relocates the electric transmission line or files a plan for authority to do so, at that time any party to this matter may file a new complaint if that party believes Evergy has violated a statute, tariff, or Commission rule, decision, or order in doing so.

If Complainants Timothy and Denise Allegri or the Office of the Public Counsel wish to appeal the Commission's decision, they must file a notice of appeal within 30 days of the effective date of this order in the appropriate appellate court, in accordance with Section 386.510, RSMo (Supp. 2023).

THE COMMISSION ORDERS THAT:

1. The application for rehearing of Complainants Timothy Allegri and Denise Allegri is denied.
2. The application for rehearing of the Office of the Public Counsel is denied.
3. This order shall be effective when issued.
4. This case shall be closed on January 30, 2025.

BY THE COMMISSION

A handwritten signature in black ink that reads "Nancy Dippell".
