Ms. Nancy Dippell
Secretary of the Commission
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Ms. Dippell:

Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company) filed the tariff sheets listed below on January 15, 2025. The following tariff sheets are a revision of Schedule No. 6, Schedule of Rates for Electricity:

<u>Filed</u>	<u>Canceling</u>
7th Revised Sheet No. 170	6th Revised Sheet No. 170
6th Revised Sheet No. 171	5th Revised Sheet No. 171

These tariff sheets were issued January 15, 2025, to become effective on and after February 14, 2025. However, the Company requested the dates become effective on February 28, 2025, on January 31, 2025.

Staff made the Company aware that the 6th Revised Sheet No. 171 contained an effective date of January 15, 2025. The Company respectfully requests to extend the effective date of the tariffs to March 1, 2025. The extension request obviates the need to refile a new sheet correcting the oversight.

The revisions being requested will revise the Company's rates paid for energy purchased from customers with a Qualifying Facility (QF) or Net Metering (NM) installation as required by the Commission's rules 20 CSR 4240-3.155, 20 CSR 4240-20.060 and 20 CSR 4240-20.065. The filings are required on or before January 15 of each odd numbered year.

Sincerely,

Jennifer S. Moore
