I/We, **Thomas Relford – City of Bolivar City Administrator**, being first duly sworn and on our oath, state:

1. My/Our name(s) is/are **City of Bolivar, Missouri**. My/our structure at which we wish to receive electric service is located at **MO-83 & Hwy 13 and MO-32 & Hwy 13 within MoDOT right of way along exit ramps (exhibit attached)**, Missouri (hereinafter referred to as the "Location").

2. I/We have requested Southwest Electric Cooperative ("Cooperative") to provide electric service to my/our structure located **MO-83 & Hwy 13 and MO-32 & Hwy 13 within MoDOT right of way along exit ramps (exhibit attached)**, Missouri. I/We understand that The Empire District Electric Company d/b/a Liberty ("Company") is unable to provide electric service without significant additional cost because of the distance to the Company's other facilities. I/We understand that Cooperative has facilities that are near my/our property and can serve my/our property with less additional cost. I/We also understand that Cooperative can provide electric service to the structure by way of a Territorial Agreement between Company and Cooperative, requiring consent of all parties and subject to approval by the Missouri Public Service Commission.

3. I/We desire and consent to have Cooperative provide electric service to my/our structure located at the Location. I/We also understand that both Company and Cooperative consent to this service agreement and have agreed to prepare a Territorial Agreement allowing my/our structure to be served by Cooperative.

4. I/We desire and request that the Missouri Public Service Commission approve the Territorial Agreement as soon as possible.
