

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Confluence Rivers)
Utility Operating Company, Inc. for Certificates of)
Convenience and Necessity to Provide Water and) File No. WA-2024-0048
Sewer Service in an Area of Warren County,)
Missouri (Lake Sherwood Estates))

NOTICE CONCERNING METER/GIS CONDITIONS

COMES NOW Confluence Rivers Utility Operating Company, Inc., (“Confluence Rivers” or “Company”) and for its *Notice Concerning Meter/GIS Conditions* respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. On March 27, 2024, the Commission issued its *Order Approving Transfer of Assets and Granting Certificate of Convenience and Necessity* (“Order”) in this case. The *Order*, among other things, requires Confluence Rivers to “. . . install master meters and complete GIS mapping of the drinking water distribution system and the wastewater collection system. If Confluence finds it is unable to meet this 90-day requirement, Confluence will file notice with the Commission, detailing why it is unable to complete these tasks within the aforementioned timeframe and when Confluence expects to meet this requirement.” (*Order*, p. 6, para. 2.f.).

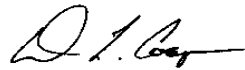

2. In compliance with the Commission’s *Order*, Confluence Rivers hereby provides notice to the Commission that at present, there are master meters installed on the wells and the booster station. The well meters are outdated. The Company has recently received new meters and is currently coordinating their installation, which is expected to be completed by the end of the first quarter of 2025. Until the well meters are replaced, it is noted that the booster station meters are relatively new and continue to provide accurate flow data.

3. Further, GIS mapping for both the drinking water distribution system and the wastewater collection system has been completed.

WHEREFORE, Confluence Rivers respectfully submits this *Notice Concerning Meters/GIS Conditions* to the Commission.

Respectfully submitted,

BRYDON, SWEARENGEN & ENGLAND P.C.
