RESPONSE TO STAFF RECOMMENDATION

COMES NOW Spire Missouri Inc. (“Spire” or the “Company”), and submits its *Response to Staff Recommendation*, stating the following:

1. On December 10, 2024, Spire filed its application for a Certificate of Convenience and Necessity.
2. On December 16, 2024, the Missouri Public Service Commission (“Commission”) directed Staff of the Commission (“Staff”) to issue a recommendation on Spire’s application.
3. On February 21, 2025, Staff filed its recommendation, recommending approval of Spire’s application subject to four conditions. The Company agrees with Staff’s recommendation and accepts its conditions.
4. Spire notes that the CCN area requested was listed in the application in error as Section 26, Township 36 North, Range 38 West of Cedar County. The range was listed incorrectly. The correct area that is the subject of this application, which is accurately listed and depicted in Exhibit 2 of the application, is Section 26, Township 36 North, Range 28 West of Cedar County.

WHEREFORE, Spire respectfully requests that the Commission accept this response, grant the requested CCN as recommended by Staff, and order any other relief as is just and reasonable.

Respectfully submitted,
