ORDER GRANTING MOTION TO AMEND PROCEDURAL SCHEDULE

Issue Date: January 31, 2020

Effective Date: January 31, 2020

On August 15, 2019, the Commission issued an order setting a procedural schedule in this matter. That order set out dates for the exchange of information and a settlement conference that are all to occur among the parties and not be filed in the case. On January 31, 2020, Union Electric Company d/b/a Ameren Missouri, Staff of the Commission, Missouri Industrial Energy Consumers, Missouri Division of Energy, Renew Missouri Advocates, Sierra Club, Natural Resources Defense Council, and Midwest Energy Consumers Group filed a joint motion requesting to amend the procedural schedule with regard to these events. The motion states that the Office of the Public Counsel and Consumers Council had no objection to the proposed changes. There are no other parties.

The Commission has reviewed the joint motion and finds that no party will be harmed by the small delay in these procedural dates. Further, no amendment is being made to the remaining filings with the Commission or the hearing dates. Therefore, the Commission finds the request is reasonable and will grant the motion.

THE COMMISSION ORDERS THAT:

1. The Joint Motion to Amend Procedural Schedule is granted.

2. The deadlines for the exchanges of information and the informal settlement conference are changed as set out below:

Preliminary Issues List (not filed; provided to all parties) February 6, 2020

Company and Staff preliminary true-up revenue requirement including true-up accounting schedules with supporting workpapers (not filed; provided to all parties) Noon, February 5, 2020

Preliminary reconciliation from Staff (not filed; provided to all parties) February 7, 2020

Settlement Conference (informal – not on the record) February 7, 2020
The parties may, by consensus, meet on additional days either in person or by telephone if warranted.

3. This order is effective when issued.
