ORDER CONSOLIDATING CASES

Issue Date: January 29, 2014

Effective Date: January 29, 2014

Union Electric Company d/b/a Ameren Missouri has filed tariffs to change the criteria the company uses to determine whether to assess a deposit on new customer accounts for natural gas and electric services. Separate cases were opened to consider the natural gas and electric tariffs. On January 28, 2014, the parties to both cases filed a combined procedural schedule for the two cases. They also agree the two cases should be consolidated for all purposes.

The two tariff cases share common questions of law and fact. Keeping the two files separate would result in duplication of effort and could create confusion. Therefore, the Commission will consolidate the two cases for all purposes.

THE COMMISSION ORDERS THAT:

1. File No. GE-2014-0180 is consolidated into File No. ET-2014-0076.
2. All future filings shall be made in File No. ET-2014-0076.

3. This order shall become effective upon issuance.
