Re: Investigation into Public Utility Emergency Preparedness, Case No. AO-2002-202

Dear Judge Roberts,

Comtech21 shares the Commissions concerns related to emergency preparedness and its efforts to compile plans and procedures for dealing with disasters both natural and manmade. However, as a switchless reseller of long distance service, we have no personnel or facilities located within the State of Missouri.

Therefore, we are unable to respond to the Commissions Survey with any that would assist in its effort to prepare for disasters and emergency situations.

Please contact John Withington, Manager – Regulatory Compliance on 203-679-7257 with any questions.

Sincerely,

Marie Marcarelli
Executive Vice President
