RE: Revised Tariff, Case No. GA-2025-0181

Dear Secretary Dippell,

On behalf of Spire Missouri Inc. (“Company” or “Spire”), I am transmitting herewith for electronic filing with the Missouri Public Service Commission (“Commission”), Second Revised Tariff Sheet No. 21.3, which contains a section of the Index of Certificated Areas within the Spire Missouri West service territory. In the above docket for a Certificate of Convenience and Necessity (“CC&N”) to expand the Company’s service territory within Cedar County, the Commission approved Spire’s application for a CC&N and ordered Spire to file an updated tariff sheet incorporating the legal description of the customer to be served under the CC&N.

The tariff sheet filed herewith contains an issue date of March 6, 2025, with a proposed effective date of April 5, 2025. A copy of the revised tariff has been sent to the Commission Staff and to the Office of the Public Counsel.

A copy of all correspondence, notices, orders, and other communications in connection with this matter should be furnished to Julie Johnson, Spire’s Manager of Tariffs and Rates, 700 Market Street, St. Louis, MO 63101 (julie.johnson@spireenergy.com) and to the undersigned counsel for Spire.

Sincerely,

/s/ J. Antonio Arias
