Re: Evergy Missouri Metro Rehousing Low-Income Pilot Program Tariff Filing

Dear Ms. Dippell:

The Evergy Metro, Inc. d/b/a Evergy Missouri Metro (“EMM”) Rehousing tariffs were originally filed on October 16, 2023, effective November 16, 2023, sheet numbers 2.37 and 2.38. EMM subsequently filed revisions to sheet 2.37 on January 17, 2025, effective February 16, 2025.

When the EMM filed the MEEIA 4 tariffs in Docket No. EO-2023-0369, it inadvertently assigned the Modified PAYS tariffs sheet numbers 2.37-2.40 not realizing that sheets 2.37 and 2.38 had already been assigned to the Rehousing tariffs. We subsequently filed substitute tariffs for the Modified PAYS tariffs on December 10, 2024, renumbering those sheets 2.39-2.42 (Tracking No. JE-2025-0051). The Commission cancelled the original sheet 2.37 under the MEEIA docket effective January 1, 2025. The Commission issued an order approving the tariffs, including the substitutes filed on December 10, 2024. However, the stamped copies EMM received still had the original Modified PAYS sheet numbers 2.37-2.42.

For current tariffs, EFIS shows the Rehousing tariff as sheet 2.37, 2nd revised effective February 16, 2025, however, sheet 2.38, 1st revised is the second page of the Modified PAYS tariff, effective January 1, 2025. Sheet 2.38 should be the second page of the Rehousing Program. Sheets 2.39-2.42 of the Modified PAYS program are correct with an effective date of January 1, 2025.

For cancelled tariffs, EFIS shows the Rehousing tariffs, original sheet 2.37 and 2.38 cancelled effective January 1, 2025, in File No. EO-2023-0369.
