POSITION STATEMENT OF THE CONSUMERS COUNCIL OF MISSOURI

COMES NOW Consumers Council of Missouri ("Consumers Council" or "CCM"), by and through counsel, and, as directed by the Commission's Order Granting Motion to Modify Order Setting Procedural Schedule of February 27, 2025, hereby provides this statement of positions, with regard to the evidentiary hearing to be held in this matter on March 18, 2025:

1. How should any rate increase be allocated to the customer classes?

Consumers Council's Position: Although Consumers Council does not agree with all the methodologies contained in Ameren Missouri's class cost of service study (CCOSS), it does support Ameren Missouri's recommended allocation of revenue requirement to the various customer classes. This recommended allocation partly mitigates concerns raised about the CCOSS, and is reasonable for this particular rate case. [Caroline Palmer Direct (rate design) and Surrebuttal].
