**ORDER REGARDING STATUS REPORT**

Issue Date: February 23, 2012

Effective Date: February 23, 2012

On December 19, 2011, Kansas City Power & Light Company (“KCP&L”) filed an application for an Accounting Authority Order (AAO). The Commission received timely applications to intervene from the Missouri Joint Municipal Electric Utility Commission and from Praxair, Inc., which the Commission granted.

The Commission issued an order on January 30, 2012.<sup>1</sup> That order set a prehearing conference for February 15, and ordered the parties to file a procedural schedule no later than February 22.

At the prehearing conference, Staff proposed that the parties file a status report in lieu of a procedural schedule. No party objected. Thus, the Commission ordered the parties to file a status report instead of a procedural schedule.

On February 22, Staff filed a Status Report. Staff explained that the parties have scheduled a technical conference for February 29. Staff further stated that the parties request leave to file a second status report no later than March 5.

The Commission finds Staff’s request reasonable, and will grant it.
