COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and for its *Status Report*, states as follows:

1. On December 19, 2011, Kansas City Power & Light Company (“KCPL”) filed an *Application for Accounting Authority Order*, in which it requested relief from the Missouri Public Service Commission (“Commission”) in the form of authorization to make certain accounting entries regarding proposed regulatory assets relating to its electrical operations that were disrupted by the 2011 Missouri River flood and for a contingent waiver of the notice requirement of 4 CSR 240-4.020(2).
2. On February 23, 2012, the Commission issued its *Order Regarding Status Report* in which it ordered the parties to file a status report no later than March 5, 2012.
3. This filing is intended to comply with that *Order*.
4. The parties met for a technical conference on February 29, 2012, to discuss the details of KCPL’s *Application*. At this point, the parties do not believe they will be able to come to an agreement regarding the *Application* and request leave to file a procedural schedule no later than March 14, 2012.

WHEREFORE, the Parties submit this *Status Report* for the Commission's information and consideration, and request leave to file a procedural schedule by March 14, 2012.

Respectfully submitted,
