## ORDER GRANTING PROTECTIVE ORDER

Issue Date: March 14, 2025

Effective Date: March 14, 2025

On February 28, 2025, Union Electric Company d/b/a Ameren Missouri, filed a Motion for Protective Order. Ameren Missouri states that confidential treatment of resource cost information, which includes cost estimates and curves used for different types of supply-side resources, and related information used to develop such estimates and curves, such as requests for proposals responses and information showing resource cost components like bids or pricing for equipment, materials, and labor, may not provide adequate protection. Thus, Ameren Missouri requests that the Commission grant a protective order to designate this material as highly confidential.

No responses were received. The Commission will grant the protective order.

### THE COMMISSION ORDERS THAT:

1. The Motion for Protective Order is granted.
2. Resource cost information shall be considered to be Highly Confidential if so designated at the time of disclosure.
3. Highly Confidential information shall not be shared with any employees of a non-state party.
4. Parties shall use the Non-Disclosure Agreement forms marked as Exhibits

A and B to the Motion for Protective Order.

5. This order shall be effective when issued.
