of Costs Subject to the Commission-Approved) **File No. EO-2025-0074**
Fuel Adjustment Clause of Evergy Missouri)
West, Inc. d/b/a Evergy Missouri West)

ORDER APPROVING STAFF’S PRUDENCE AUDIT REPORT

Issue Date: March 19, 2025

Effective Date: April 18, 2025

This case was opened on September 3, 2024, to consider the twelfth fuel adjustment clause prudence review of Evergy Missouri West, Inc. d/b/a Evergy Missouri West (Evergy West). On February 28, 2025, the Commission’s Staff filed a report regarding its review in which it found no incidence or evidence of imprudence by Evergy West for the period of December 1, 2022, through May 31, 2024. Ten days have passed since the filing of Staff’s report and no requests for hearing were filed.

In its prudence review, Staff analyzed items affecting Evergy West’s fuel costs; purchased power costs; net emission costs; transmission costs; off-system sales revenues; and renewable energy credit revenues for the thirty-second, thirty-third, and thirty-fourth accumulation periods of Evergy West’s fuel adjustment clause (FAC).

The Commission has considered Staff’s unopposed report and recommendation. In evaluating prudence, Staff reviewed whether a reasonable person would find that both the information Evergy West relied on, and the process Evergy West employed when

making the decision under review, were reasonable based on the circumstances at the time the decision was made, without the benefit of hindsight. During its review, Staff found no evidence of imprudence by Evergy West.

The Commission finds Staff's report and recommendation regarding its prudence review of Evergy West's fuel and purchased power costs and off-system sales revenue associated with its fuel adjustment clause to be reasonable, and will approve it.

THE COMMISSION ORDERS THAT:

1. The Staff Report for the twelfth prudence review of costs related to the fuel adjustment clause for the electric operations of Evergy West is approved.
2. This order shall become effective on April 18, 2025.
3. This file shall be closed on April 19, 2025.
