Evidentiary Hearing	April 29, 2025
Initial Briefs	May 7, 2025

4. The Parties waive the filing of reply briefs.

5. The Parties respectfully request a Commission decision by May 29, 2025, so that the final rates in ER-2024-0319 reflect zero contributions to the nuclear decommissioning trust fund.

Proposed Procedural Requirements

- (a) Although not all parties may agree upon how each issue should be described or on whether a listed issue is in fact a proper issue in this case, the parties shall agree upon and file a list of the issues to be heard, the witnesses to appear on each day of the hearing, the order in which they will be called, and the order of cross-examination for each witness. The list of issues should be detailed enough to inform the Commission of each issue that must be resolved. The Commission will view any issue not contained in this list of issues as uncontested and not requiring resolution by the Commission.
- (b) Each party shall file a simple and concise statement summarizing its position on each disputed issue, including citations to pre-filed testimony supporting its position.
- (c) All pleadings, briefs, and amendments shall be filed in accordance with Commission Rule 20 CSR 4240-2.080. Briefs shall follow the same list of issues as filed in the case and must set forth and cite the proper portions of the record concerning the remaining unresolved issues that are to be decided by the Commission.

⁷ [2024 Account Summary By Type.pdf](#).

- (d) Copies of pre-filed testimony and documents served upon the parties before a hearing need not be provided to the court reporter for marking exhibits where the record clearly identifies the prefiled testimony and documents that are made hearing exhibits. If not prefiled and served upon the parties, then a party who has a document marked for use at the hearing shall have sufficient copies of the document to provide a copy not only to the court reporter, but also to each of the Commissioners, the presiding officer, and counsel for each party.
- (g) Public documents filed in the Commission’s Electronic Filing and Information System (“EFIS”) shall be considered properly served by serving the same on counsel of record for all other parties via e-mail. The parties agree confidential documents may be obtained from EFIS and so agree not to serve those documents via e-mail.

WHEREFORE, the Signatories to this pleading request the Commission adopt the proposed procedural schedule.

Respectfully submitted,
