**ORDER DIRECTING NOTICE
AND SETTING INTERVENTION DEADLINE**

Issue Date: January 24, 2011

Effective Date: January 24, 2011

On November 29, 2010, the United Way of Greater St. Louis, Inc. filed the above-captioned request. The Commission is required to issue notice to a number of different entities.¹ To facilitate sending notice, the Commission directed the Staff of the Commission to file a list of the entities that it believes the Commission should notify. Staff filed a list on January 12, 2011.

Commission rule 4 CSR 240-2.080(15) requires that responsive pleadings be made within 10 days. Ten days have expired and there has been no response to Staff's pleading setting out the list of entities. The Commission will therefore direct its Data Center to issue notice to those entities as ordered below. Further, the Commission will direct that the United Way issue notice to those entities it funds.

The Commission will also set an intervention deadline and require those that wish to intervene to file an application as set out in the ordered paragraphs below.
