The commission received timely written comments from eight (8) people representing six (6) entities during the comment period and thirteen (13) people representing eleven (11) entities provided comments at the hearing. The comments were generally in support of the proposed rule with a few suggested changes.

COMMENT #1: Goldie T. Bockstruck, Director, Regulatory Affairs and Regulatory Counsel, provided written comments on behalf of Summit Natural Gas of Missouri (Summit). Summit proposed adding language to subsection (8)(A) to define limitations of accessibility to the books and records of a covered utility's parent and affiliates. J. Scott Stacey, Deputy Counsel, on behalf of the staff of the commission (staff) commented that it is opposed to Summit's proposed edits. Staff stated these entities are trying to limit the commission's authority in this affiliate transaction rule, which has been litigated previously. Staff commented that the Missouri Supreme Court found that "the PSC's authority to require utilities to maintain records so that it may determine whether utilities are following their obligations under section 393.130.2, RSMo, is firmly established.
