ATXI has Violated the PSC orders set forth in :ORDER APPROVING UNANIMOUS STIPULATION AND AGREEMENT filed on 11/3/2021. Particularly pages 4,5,6,7, items 1,2,5,6,7. Regarding Item 8. A native burial site is on our property. it was disclosed to contract land staff. ATXI was aware of the burial site. The circuit judge illegally allowed it to be condemned. It will not be affected by the original transmission line, but is in the 345kv easement. Any Action by ATXI to damage the cemetery will be a felony and we will press charges. Additionally, ATXI Condemned 125' easements but only had approval for 100' based on Craig hiser testimony page 11, line 8-13

8. The Complainant has taken the following steps to present this matter to the Respondent:

(Please describe in detail what steps you have already taken to resolve this complaint.)

Communication with contract land staff in 2022, Tim Barrett , and discussed the native burial site on the property.
