³ Total Company Revenue (Column C) = Column A revenue + Column B revenue.

⁴ IVOIP Revenue: If unable to distinguish Missouri Jurisdictional revenue in Column A then a safe harbor percentage can be applied to total revenue that corresponds to the FCC's safe harbor

percentage of 35.1% intrastate and 64.9% interstate or as otherwise adjusted by the FCC.

Bundled Service Revenue: If telecommunications or IVoIP service is bundled with non-regulated services then a company may apply either of two methods in reporting bundled revenue in Column A. Method 1: Report bundled revenue in Column A based on the unbundled rate for telecommunications or IVoIP service; or Method 2: Report all bundled revenue in Column A.

⁶ Retail Non-Switched Private Line Service Revenue: If 10% of more of the customer's private line network traffic is considered interstate traffic then 100% of the customer's non-switched private line service revenue can be classified as interstate traffic.

⁷ Wholesale Revenue: Revenue from telecommunications or IVoIP services sold to other service providers including revenue associated with switched access service, special access service, billing and collection and any remaining carrier's carrier revenue provided in FCC Form 499-A, Block 3. NECA settlements should be reported in Column B.

Totals:							
าบเลเร.							

^{*} Line quantities can be provided for a date other than December 31, 2024 if the date is within the month of December.

Clarifications about reporting line quantities:

- 1. Report line quantities for basic local telecommunications service and/or IVoIP service as those terms are defined in Section 386.020(4) and (23), RSMo.
- 2. Lines include analog and digital. For DS-1 or higher band-width facilities a voice grade equivalency must be used. For channelized service report the number of channels subscribed to by the customer. For non-channelized facilities, filers are instructed to use a good-faith estimate of the number of voice grade equivalent lines used for voice service.
- 3. Exchange refers to areas as listed in ILEC tariffs.
- 4. IVoIP line quantities must be filed on a confidential basis per Section 392.550(7)(c) RSMo. See instructions for how to file on a confidential basis.
