PROCEDURAL ORDER SEVERING WORKSHOPS

Issue Date: March 25, 2010

Effective Date: March 25, 2010

On March 3, 2010, the Commission issued a procedural order adopting its Staff's proposed workshop schedule with some slight modifications. Part of that schedule included incorporating the workshops for File No. EW-2010-0187 with the workshops for File No. EW-2009-0291. Since that time, it has become clear that File No. EW-2010-0187 should be addressed as a "stand alone" matter and that its workshops should not be blended with EW-2009-0291.

File No. EW-2010-0187 relates to Commission activities associated with Demand Response Aggregators and the Federal Energy Regulatory Commission's Orders 719 and 719A. The Public Utilities Regulatory Policies Act Files, and the soon-to-be-opened file to address Missouri Senate Bill 376, deal with a range of other energy efficiency policies. Consequently, the Commission will sever the workshops for these files.

THE COMMISSION ORDERS THAT:

1. The workshops for File Nos. EW-2010-0187 are severed from the workshops for File No. EW-2009-0291.
2. The Staff of the Missouri Public Service Commission shall make all necessary arrangements for conducting these workshops in separate forums.
3. This order shall become effective immediately upon issue.

BY THE COMMISSION

Steven C. Reed
Secretary

(S E A L)

Harold Stearley, Senior Regulatory Law Judge,
by delegation of authority pursuant to
Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
on this 25th day of March, 2010.
