Re: *Request to Voluntarily Surrender Registration, RCLEC, Inc.*

Dear Ms. Dippell:

In accordance with the Missouri Code of State Regulations, 4 CSR 240-28.011(3), RCLEC, Inc. ("RCLEC") hereby submits a request to surrender its registration to provide basic local and non-switched local telecommunications service in exchanges statewide in the State of Missouri, issued by order on February 13, 2015, in File No. TA-2015-0186.

RCLEC does not provide CLEC or IXC services and does not have any customers in Missouri pursuant to the above-referenced registration and no longer requires its registration. Because RCLEC does not serve any customers pursuant to this authority, no customer notice is required. RCLEC will continue to serve existing customers as an interconnected VoIP provider.

Please contact me if you have any questions.

Respectfully submitted,

/s/ H. Henry Shi
