**Re: Case TN-2025-0255
Consolidated Communications Enterprise Services, LLC – Supplement
Regarding Tariff**

Dear Secretary Dippell:

Consolidated Communications Enterprise Services, LLC (the "Company") hereby supplements its March 19, 2025 Notification regarding the change of the Company's legal name from "Consolidated Communications Enterprise Services, Inc." to "Consolidated Communications Enterprise Services, LLC." On April 3, 2025, Staff filed a Notice in the Docket observing that the Company had not submitted a tariff filing regarding the Company's Missouri P.S.C. Tariff No. 6. On April 3, 2025, the Commission issued an Order requiring the Company file either a tariff filing that replaces existing tariff Missouri P.S.C. Tariff No. 6 in its entirety or a one-page adoption notice of Missouri P.S.C. Tariff No. 6. As explained below, the Company no longer owns the business that provided services pursuant to Missouri P.S.C. Tariff No. 6 and has accordingly filed to cancel the Tariff.

On November 30, 2022, the Company concluded a transaction where it sold the assets comprising the Kansas City metropolitan area competitive local exchange carrier business to Everfast Fiber Networks, LLC ("Everfast").¹ On October 6, 2022, in Docket TA-2023-0124, the Commission authorized Everfast to provide telecommunications service in Missouri as a competitive local exchange carrier and as an interexchange carrier.

In light of the Everfast transaction the Company has cancelled Missouri P.S.C. Tariff No. 6. If the Commission has questions regarding Everfast and its tariff(s) please direct them to Peter Lynch at Everfast at peter.lynch@everfastfiber.com.

¹ See Public Notice, *Domestic Section 214 Application Granted For The Acquisition Of Certain Assets Of Consolidated Communications Enterprise Services Inc. By Everfast Fiber Networks LLC*, 37 FCC Rcd 13134 (Wireline Comp. Bur. 2022).

Thus, with this letter and cancellation of Missouri P.S.C. Tariff No. 6, the Company has alleviated any need to file a replacement tariff or adoption notice and requests that the Commission grant the Company's original request that the Commission update its records, including the Company's Certificates, to reflect the change in legal name from "Consolidated Communications Enterprise Services, Inc." to "Consolidated Communications Enterprise Services, LLC."

Should you have any questions regarding this filing, please do not hesitate to contact the undersigned.

Tariff No. 6, Exchange Access Services**

Dear Secretary:

This filing is to cancel the Consolidated Communications Enterprise Services, Inc. P.S.C. Tariff No. 6 Exchange Access Tariff. On November 30, 2022, Consolidated Communications Enterprise Services, Inc. On October 6, 2022, in Docket TA-2023-0124, the Commission authorized Everfast to provide telecommunications service in Missouri as a competitive local exchange carrier and as an interexchange carrier. The Consolidated Communications Enterprise Services, Inc. P.S.C. Tariff No. 6 Exchange Access Tariff was applicable to the assets that were sold to Everfast and is no longer needed by the Company.

The remaining active Consolidated Communications Enterprise Services, LLC competitive local exchange carrier utilizes P.S.C. Tariff No. 3 for intrastate access services.
