Sale to Confluence Rivers

Requested From: Tim Luft

Date Requested: 03/28/2025

Information Requested:

Does MAWC anticipate selling any of its other small water, wastewater, or water and wastewater systems to Confluence Rivers over the next five years?

- a. If so, please identify such systems and explain why MAWC believes it would be in the public interest to do so.
- b. If not, please explain why MAWC believes it is in the public interest for it to retain ownership of those small water or wastewater systems.

Requested By: Lindsay VanGerpen

Information Provided:

- a. MAWC currently has no other agreements executed or under negotiation and the Company is not in active discussions for the sale of any owned systems.
- b. MAWC reviews the labor, equipment, and material costs associated with operating its system on a routine basis. At the current time, the Company is comfortable retaining ownership of the small water and wastewater systems.
