Hi Joe. It was good talking with you tonight. Hope to see you soon this weekend or early next week so I can see the area of concerns you have. I am glad to let you know I have already relayed some of the erosion issues and such you spoke of. I know you have many questions so feel free to call me or email me with anything.

My cell phone number is +1-314-973-8608

Is it ok with you for a surveyor to come out in late February or early March so they can pencil it into their calendar?

Take care and see you soon
