MOTION FOR EXTENSION

COMES NOW Summit Natural Gas of Missouri, Inc. (“SNGMO” or “Company”), and, as its *Motion for Extension*, states as follows to the Missouri Public Service Commission (“Commission”):

1. On April 3, 2025, SNGMO filed an application and tariff sheets to extend its Equipment Rebate Program (ERP) Pilot to December 31, 2027, with the tariff sheets bearing an effective date of May 3, 2025. The tariff sheets were assigned Tracking No. JG-2025-0144. On April 4, 2025, the Commission issued its *Order Setting Intervention Deadline and Directing Staff Recommendation*.

2. On April 22, 2025, the Staff of the Commission (“Staff”) filed its *Staff Recommendation for Rejection of the Application for Approval of Tariff Revision to Extend Equipment Rebate Program Pilot and Request for Waiver* (“Staff Recommendation”). Thereafter, the Commission issued its *Order Shortening Time for Responses* wherein it directed SNGMO to respond to the *Staff Recommendation* by April 28, 2025.

3. SNGMO has initiated discussions with Staff concerning the Staff Recommendation to better understand its concerns and to determine whether there are adjustments that can be made to SNGMO’s proposal that would address those concerns. It is not likely that the discussions will have run their course by April 28, 2025. Accordingly, the Company seeks an extension until June 2, 2025, to respond to the *Staff Recommendation*.

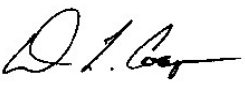

4. In order to make such an extension possible, SNGMO, has, prior to the filing of this Motion, voluntarily extended to the proposed effective date on its ERP tariff sheets (Tracking No. JG-2025-0144) until June 7, 2025.

5. Counsel for SNGMO has communicated with counsel for the Staff and he has indicated that Staff has no objection to the requested extension.

WHEREFORE, Summit Natural Gas of Missouri, Inc. respectfully requests that the Commission grant this *Motion for Extension* and issue such other orders as it should find to be reasonable and just.

Respectfully Submitted,

BRYDON, SWEARENGEN & ENGLAND P.C.
