Missouri electric customers - Important update: Beginning in March 2024, customers will see a new line item on their bill called "February 2021 Storm and Asbury Costs". For most rate classes, this charge is approximately 1 cent per kWh of energy usage beginning March 1 to primarily recover costs from 2021 extreme weather and the Asbury generation plant removed from service after 50 years. Learn more: https://central.libertyutilities.com/all/securitization.html. BondCo is the owner of the rights to securitized utility tariff charges (SUTC). Liberty is acting as the service for BondCo.

To report an emergency, or use Liberty's automated account information by phone, use the 11-digit location number on the back of your statement.

Pay your bill with a credit or debit card by phone by calling 800-206-2300. Pay your bill online. Choose All Payment Options, select Pay Online and use the nine-digit account number of the front of your statement.
