**REQUEST FOR MEDIATION OF COMPLAINT
AND REFERRAL TO NEUTRAL THIRD-PARTY MEDIATOR**

COMES NOW, Joe Wissman, in response to Amerens request for mediation,
Wishes to inform the Public Service Commission of the attached communications,
and additional documents relating to this request, and respectfully states that
following to the Missouri Public Service Commission ("Commission"):

1. On April 1, 2025, Joe Wissman ("Complainant" or "Mr. Wissman") filed a formal complaint with the Commission against the Company.
2. On April 2, 2025, the Commission issued its *Order Giving Notice of Case Filing, Directing and Answer, Directing Complainant to Supplement His Complaint, and Order Directing a Staff Investigation*, which provided the Company 30 days to file its answer or, in the alternative, to request the complaint be referred to a neutral third-party mediator for voluntary mediation of the complaint. This filing complies with that Order insofar as it represents a request to initiate the mediation process.
3. ATXI believes this matter is appropriate for mediation and therefore requests the Commission refer this matter to a neutral third-party mediator for mediation between Complainant and the Company, pursuant to 20 C.S.R. 4240-2.0125(2).

4. Ameren has requested mediation in the past with the Remley law Firm of Cape Girardeau, Mo. On 3/10/2025 I indicated we would be willing to participate in a mediation with Ameren at the Remley Firm, assuming they will bear the cost of the mediation as a token of their "Good Faith " intentions.
5. At the time of this writing. My doctor is composing a letter to the Public Service Commission detailing the issues he has witnessed as a result of Amerens activities. Additionally, I will attach other exhibits I feel the Public Service commission may find relative.

WHEREFORE, Wissmans request the Commission accept this *Request for Mediation of Complaint and Referral to Neutral Third-Party Mediator*, (Remley) and request the mediation take place within a reasonable amount of time, and for any other relief deemed necessary and appropriate by the Commission.

Respectfully submitted,

Joe Wissman
