ORDER REJECTING FILING

Issue Date: March 13, 2020

Effective Date: March 13, 2020

On February 12, 2020, Allegiant Networks, LLC (Allegiant Networks) filed an application for registration to provide Interconnected Voice over Internet Protocol (IVoIP) service with the Missouri Public Service Commission, indicating its intention to offer and provide IVoIP services in the State of Missouri.

The application filed with the Commission was not sufficient in that the application lacked a copy of Allegiant Networks' Certificate of Registration from the Missouri Secretary of State's Office, as required by 20 CSR 4240-28.011.

On February 13, 2020, the Commission issued a Notice of Deficiency allowing the company to correct the deficiency by March 9, 2020. No response was filed. Thus, the application will be rejected by the Commission. Allegiant Networks may file a new application in a new file if it chooses to do so. Because Section 392.550.3, RSMo allows the Commission only 30 days to act on an application to provide IVoIP service, this order will be made effective when issued.

THE COMMISSION ORDERS THAT:

1. The application filed by Allegiant Networks, LLC on February 12, 2020, is rejected.
2. This order shall be effective when issued.
3. This file may be closed.

BY THE COMMISSION
