Data Request**

Data Request No.: 0014.0  
Case/Tracking No.: EC-2025-0136  
Date Requested: 5/1/2025  
Requested From: Cheri Meadows  
Requested By: MO PSC Staff  
Due Date: 5/11/2025

**Description:**

1. Please provide contact name and number for call occurring on August 4, 2024 in references to screen shots of cell phone history in CM-7. 2. The screenshots previously provided in CM-7 do not list a contact name and number. Is there a way to provide a screenshot that includes the phone number associated with the calls? If so, please provide.

**RESPONSE:**

Your request was for a contact name and number from an August 4, 2024 call which doesn't exist since no calls were attempted to or received from Jason Brown after July 18, 2024. Assuming you meant August 4, 2023 and that conversation that took place over two months before the PSC decision, I've attached those screenshots of the more detailed phone history. The third column also includes the breakdown of details of the February 26, 2024 call that was referenced in my CM-7 response as well as notes that were made regarding both of those conversations to help maintain clarity of the timeline.

**VERIFICATION OF RESPONSE**

The responses provided are true and accurate to the best of my knowledge and belief.
