Re: Evergy Missouri Metro Critical Needs Program Tariff Filing

Dear Ms. Dippell:

The Evergy Metro, Inc. d/b/a Evergy Missouri Metro (“EMM”) Critical Needs Program tariffs were originally filed in Docket No. ER-2022-0129, Tracking No. JE-2024-0047 on October 16, 2023, effective November 16, 2023, sheet numbers 2.35 and 2.36.

When EMM filed the MEEIA 4 tariffs in Docket No. EO-2023-0369, it advertently assigned the Evergy Fast Track Program tariff sheet numbers 2.35 and 2.36, not realizing these sheet numbers had already been assigned to the Critical Needs Program tariffs. As a result, the Commission cancelled the original sheets 2.35 and 2.36, Tracking No. JE-2025-0051 under the MEEIA docket effective January 1, 2025.

Evergy Missouri Metro is resubmitting the Critical Needs Program tariffs, sheet numbers 2.43 and 2.44 with an issue date of May 15, 2025, and an effective date of June 14, 2025.
