In the Matter of the Amendment to Interconnection)
Agreement between Southwestern Bell Telephone)
Company, LLC d/b/a AT&T Missouri and Spectrotel,) **File No. IK-2025-0269**
Inc., adopting previously approved amendments)

ORDER APPROVING AMENDMENT TO INTERCONNECTION AGREEMENT

Issue Date: May 16, 2025

Effective Date: May 26, 2025

This order approves an amendment to a negotiated Interconnection Agreement between the parties, which was filed by Southwestern Bell Telephone Company d/b/a AT&T Missouri.

On April 2, 2025, AT&T Missouri filed an application with the Commission for approval of an amendment to their negotiated Interconnection Agreement (the Agreement) with Spectrotel, Inc. under the provisions of the Federal Telecommunications Act of 1996 (the Act). AT&T Missouri is certified with the Commission as an incumbent local exchange carrier and a registered Interconnected Voice over Internet Protocol provider. Spectrotel, Inc. is a competitive local exchange carrier and an interexchange carrier.

Although Spectrotel, Inc. is a party to the Agreement, it did not join in the application. On April 8, 2025, the Commission issued an order making Spectrotel, Inc. a party in this case and directed any party wishing to request a hearing to do so no later than April 23, 2025. No requests for hearing were filed.

Under Section 252(e) of the Act, any Interconnection Agreement adopted by negotiation must be submitted to the Commission for approval. The Commission may reject

an Agreement if it finds that the Agreement is discriminatory or that it is not consistent with the public interest, convenience and necessity.

On May 7, 2025, the Staff of the Commission (Staff) filed a recommendation. Staff recommended that the Agreement as amended be approved and noted that the Agreement as amended meets the limited requirements of the Act in that it is not discriminatory toward nonparties and is not against the public interest.

The Commission has considered the application, the supporting documentation, and Staff's recommendation. Based upon that review, the Commission finds that the Agreement as amended meets the requirements of the Act in that it does not discriminate against a nonparty carrier and implementation of the Agreement is not inconsistent with the public interest, convenience and necessity.

So that the parties may proceed under the terms of the Agreement without further delay, the Commission finds it reasonable to make this order effective in less than 30 days.

THE COMMISSION ORDERS THAT:

1. The Interconnection Agreement between AT&T Missouri and Spectrotel, Inc., filed on April 2, 2025, is approved.
2. This order shall become effective on May 26, 2025.
3. This file may be closed on May 27, 2025.
