**Information Provided:**

MAWC excels in its ability to operate water and wastewater systems for a variety of reasons including, our internal expertise to deal with challenges in both the water and wastewater services, our operational experience in solving problems in an efficient and cost-effective manner, our buying power with vendors and suppliers, and our relationship with the contractor communities in which we partner. American Water has one of the premiere water laboratories in the country that is available to MAWC to deal with constantly changing emerging contaminants and other water quality issues.
