Case No. GR-2001-292

PROPOSED SCHEDULE OF PROCEEDINGS

Comes now Missouri Gas Energy (MGE) and submits what it believes to be the agreed-upon schedule of proceedings in this matter, in response to the Commission's "Order Directing Parties to Appear for a Prehearing Conference" which was issued on June 19, 2001. MGE believes that there is no necessity for the filing of a separate revised list of issues, as directed by the June 19, 2001 order, because the issues have not changed since the last filing of same. MGE intends to file, and believes the other parties will also, a statement of positions which will incorporate the list of issues.
