Case No. GR-2001-292

**CITY OF KANSAS CITY'S**  
**NOTICE OF POSITION REGARDING**  
**SECOND REVISED STIPULATION AND AGREEMENT**

Comes now the City of Kansas City (City), by and through counsel, and for its statement of position regarding the Second Revised Stipulation and Agreement submits the following:

1. On June 26, 2001, Missouri Gas Energy (MGE), Staff, Office of Public Counsel, Midwest Gas Users Association, Jackson County and the City of Riverside filed a Second Revised Stipulation and Agreement (Second Stipulation) for Commission approval. As was the case with the First Revised Stipulation and Agreement filed in this proceeding, the City of Kansas City (City) was not a signatory party to the Second Stipulation, but maintains its interest in one of the issues which the Second Stipulation resolves:

2. In paragraph 8 of the Second Stipulation, which counsel believes is located on page 8 of the document, the parties have agreed that

. . . MGE's weatherization program shall be expanded throughout MGE's service territory as proposed by Staff witness Warren, with an additional \$90,000 per year targeted to areas other than the Kansas City metropolitan area (where the weatherization program is currently offered), subject to the availability, capability and willingness of agencies to administer such funds in such other areas of MGE's service territory.

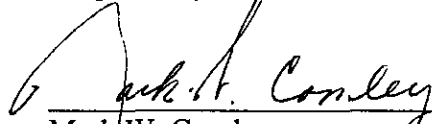

3. The City endorses and supports the parties' agreements set forth in paragraph 8 of the Second Stipulation and joins in the request that the Commission approve the same.

4. With respect to the other matters resolved in the Stipulation, the City neither supports

nor opposes them and neither supports nor opposes the Commission's approval of the balance of the Stipulation.

5. The City does not request a hearing on any issue.

Respectfully submitted,
