## ORDER ACCEPTING CORRECTED DIRECT TESTIMONY

Issue Date: December 19, 2014

Effective Date: December 19, 2014

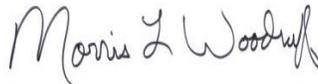

On December 8, 2014, Sierra Club filed a motion asking the Commission to accept a corrected version of the prefiled direct testimony filed on December 5 by its witness, Ezra D. Hausmann. Sierra Club filed the corrected version of Hausmann's direct testimony along with its motion. The motion explains that the correction is needed to correct two mathematical errors on one page of that testimony. More than ten days have passed since Sierra Club filed its motion and no party has opposed that motion.

The Commission finds that the correction is appropriate and will not prejudice any other party. The motion will be granted.

### THE COMMISSION ORDERS THAT:

1. Sierra Club's Motion to Accept Correction to Prefiled Testimony is granted.
2. This order shall be effective when issued.
