Case No. EW-2004-0596

**APPLICATION OF THE MISSOURI JOINT MUNICIPAL ELECTRIC
UTILITY COMMISSION TO INTERVENE OUT OF TIME**

COMES NOW the Missouri Joint Electric Utility Commission (MJMEUC) and, in accordance with 4 CSR 240-2.075, applies to intervene in the above-referenced case and, in support of this Application to Intervene, respectfully states as follows:

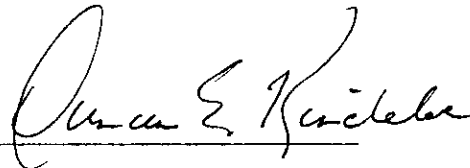

1. The MJMEUC is a political subdivision of the State of Missouri, organized as a joint municipal utility commission pursuant to section 393.700 et seq. RSMo., with authority to exercise public powers of a body corporate and politic of the state for the benefit of the inhabitants of municipalities jointly contracting to establish the MJMEUC. Fifty-seven Missouri municipalities are current parties to the joint contract establishing the MJMEUC.
2. As a wholesale energy and transmission customer of Kansas City Power & Light Company, directly and on behalf of its contracting municipalities, the MJMEUC and its municipal members may be affected by a final order in this matter. Its interests are different from those of the general public and cannot be adequately represented by any other party. As a joint municipal utility commission with distinctive interests in this case, the public interest would be served by its proposed intervention.
3. Good cause exists to grant this Application even though the intervention date established by the Commission has passed. Adequate consultation among members of MJMEUC to determine the need to participate has required additional time, and granting this application will not prejudice any party.

4. At this stage, the MJMEUC is unsure of the position it will take on the various issues that may arise in the instant proceeding.
5. Service of all pleadings, correspondence, communications and orders and decisions of the Commission should be made to counsel as follows:

Duncan E. Kincheloe
2407 West Ash Street
Columbia, Missouri 65203
(573) 445-3279
(573) 445-0680 (FAX)

WHEREFORE, having stated its grounds for intervention, the MJMEUC requests the Commission to enter its Order granting leave to intervene as a full party in this case, and for such other and further relief as the Commission may deem appropriate.

Respectfully submitted,
