ACCESS SERVICES

1. APPLICATION OF TARIFF

1.1 This Tariff contains regulations, rates and charges applicable to the provision of Switched Access Services, Dedicated Special Access Services, Ancillary Services, Planned Facilities and other miscellaneous services, hereinafter referred to as service(s), provided by the Southwestern Bell Telephone Company, hereinafter referred to as the Telephone Company, to Customers.

(AT) End users may purchase services from the Access Services Tariff only to the extent explicitly set
| forth herein. Access Services will not be provided to an end user's location in such a
(AT) manner that avoids this end user restriction.

1.2 The regulations, rates and charges contained herein are in addition to the applicable regulations, rates and charges specified in other tariffs of the Telephone Company which are referenced herein.

1.3 Local Exchange Carriers (LECs) subject to this tariff are also subject to terms and conditions of the Conceptual Framework, Missouri Intrastate, IntraLATA Primary Carrier By Toll Center Plan filed in Case No. TO-84-222 et al., as modified and approved by the Missouri Public Service Commission.
